# Introduction

**Nimish Sagar**  
CEO, Samrat  
Machine & Tools

Samrat Machine and Tools (Ltd.) is a leading distributor, stockist, wholesaler, and retailer dedicated to serving the jewelry manufacturing industry of Egypt with an extensive range of machinery, tools, and consumables. With over two decades of experience in supporting the jewelry crafters in their quest for quality and efficiency, we have been able to establish ourselves as a trusted partner for businesses of all sizes within this niche sector. Our extensive portfolio caters to the diverse needs of jewelry manufacturers, offering a wide choice of products ranging from precision tools to high-quality machinery designed to enhance efficiency and craftsmanship.

At Samrat Machine and Tools, we understand the intricate demands of the jewelry manufacturing process and of the gold mining applications. From state-of-the-art casting machines to industry leading polishing equipment, from high quality precision tools to hi-tech engraving and welding equipment, from world leading precise weighing scales to world leading analytical equipment, from high grade furnaces to ore mining equipment, from ore processing equipment to gold refining plants, from a wide stock of consumables such as polishing compounds, waxes, crucibles, mining consumables and other essential materials to precious metal alloys and plating solutions, we offer all that our clientele would require to produce their stunning pieces of art. By partnering with leading manufacturers and suppliers, we ensure that our clients have access to the latest advancements in technology and tools, enabling them to remain competitive in a rapidly evolving market.

Understanding the unique mindset and culture of our customers has been pivotal to our success. At Samrat Machine and Tools, we prioritize building strong relationships with our clients, taking the time to listen to their needs and challenges. Our commitment to exceptional customer service has fostered a sense of trust and loyalty among our clientele, many of whom have been with us since our inception.

Our team of experts is dedicated to providing exceptional service and support to our clients. With years of experience in the industry, we pride ourselves on our ability to understand the unique challenges faced by jewelry manufacturers. Whether it's through offering technical assistance, product recommendations, or tailored solutions, our knowledgeable staff is always on hand to help clients make informed decisions that drive their businesses forward. We believe in fostering long-term relationships with our customers, built on trust and transparency, ensuring they receive the best value for their investment.

Samrat Machine and Tools is not just a supplier or a distributor; we are a partner in progress for our esteemed clients as well as our reputed suppliers.

Our unwavering dedication to quality, innovation, and service excellence positions us as a preferred choice for jewelry manufacturers seeking reliable tools and machinery. As we continue to grow and adapt to the needs of our clients, we remain committed to empowering the jewelry manufacturing sector with the resources and support necessary to achieve success in a competitive global market.

# Our Journey

---

**Since 1935** When our grandfather set in motion from Bahrain our journey of jewelry making in the Middle East. Coming from the community of jewellers, we carry with us a legacy of decades prior, since the times of our forefathers and are blessed to be guided by the masters of this craft.

---

**1998** marked our beginning in Egyptian market with the formation of Samrat Jewellers and introducing the art of bangles and bracelets manufacturing into the local market.

---

**2000** saw us venturing into the exciting world of machinery and tools dedicated to jewelry manufacturing industry.

---

**2010** we launched our firm in India – Sagar Universal with the focus on sourcing the best products at the best rates and strengthening our exports in the MENA region.

---

**2011** witnessed the formation of Samrat Machine & Tools (Ltd.) and revolutionizing the Egyptian gold market with the introduction of XRF based precious metal analysis technology.

---

**2015** strengthened our sourcing position in India with the formation of our second Indian venture – SkyTech Machine Tools.

---

**2019** we expanded in the Indian market with our third local venture as Sagar EXIM with a focus on providing premium quality jewelry tools and machines and boosting our reseller network in exports.

---

**2023** was our entrance in the UAE market with the formation of Seven Seas Enterprise FZCO.

---

**2025** we have registered our second entity in UAE – Samrat Machine And Tools L.L.C and move forward with our expansion in UAE.
